The OCR Level 2 Nationals in ICT have been developed to provide you with an introduction to the skills, knowledge and understanding required to prepare for you for work in the information and communication technology sector.

They have also been designed to help you to develop your personal skills in the areas of team working, career planning, communication and problem solving.

They accredit your ability to carry out a range of tasks in a modern, practical way that is relevant to the workplace.

You will study a compulsory Unit called ICT Skills for Business and then a choice of 2 other Units.

We currently offer a choice of

Unit 2 Web page creation

Unit 3 Digital imaging – plan and produce computer graphics

Unit 4 Design and produce multimedia products

Progression Into Employment

These qualifications are designed to enable you to enter employment at operative or trainee level within a wide range of business environments.

Progression to Further Qualifications

These qualifications have been designed to aid progression to all other qualifications in ICT at Level 3.
