Declaration of application

I have read the Prospectus for St. Julie's Catholic Sixth Form for entry in September 2012. I accept the terms of entry and wish to apply for Sixth Form Study, including the core elements of Religious Education and Christian Action. I have the support of my parents / carers in applying for Sixth Form.

I understand the factors considered in my application will be...

- my exam results
- my pastoral record at Key Stage 4
- the professional recommendations of current teachers
- my attendance record
- any other mitigating circumstances I wish to communicate (health record, or other relevant personal circumstances known to the Head of Year)

I am prepared to attend an interview at St Julie's for Sixth Form.
