HAUNTED LIVERPOOL EVENT!

In preparation for the fun of Halloween,
Year 7 had a spooktacular day with
Haunted Liverpool!

The students were lucky enough to listen
to scary stories about well known ghosts
from the Liverpool area, before having a
go at writing their own spooky tale.

Haunted Liverpool guides, Lucy and
Frederick led the sessions. The girls loved
the activity and many shared their stories
with the rest of the year group during the
final session of the day, showing Haunted
Liverpool that if they need writers in the
future, St Julies is the place to come!
