Dear Parent/Carer

**Re: Year 11 Summer Series Examinations 2018**

In preparation for the forthcoming summer examinations, I am writing to inform you of the necessary arrangements, and outline herewith the key information for all candidates.

It is essential that all students adhere to the JCQ (Joint Council for Qualifications) guidelines. For information, I have enclosed a copy of the instructions from JCQ. This includes the materials which can or cannot be taken into an exam room, as well as key information regarding the use of electronic devices.

Unfortunately, during the summer exam series 2014, we had two candidates who took a mobile phone into the examination room. We were duty-bound to formally report this matter to the relevant exam board. Unfortunately, both candidates received zero marks for their paper and also had marks deducted from their other qualifications. **It is essential that your daughter hands her mobile phone or any other electronic devices to the Exams Team prior to each exam.**

The procedures and processes for examinations must remain fair and accurate during any examination, which take place both in school and nationally. Our robust procedures ensure we remain a verified examination centre each year.

Please take time to read the enclosed information and go through this with your daughter. A copy of this information will also be placed in each examination room. Students will also be reminded at the beginning of each examination. Each student will be provided with an individual copy of their exam timetable by Friday 2 March 2018. A copy of the full exam timetable can be accessed via our school webpage [www.stjulies.org.uk](http://www.stjulies.org.uk). I can confirm that morning exams will commence **at 9.00 am prompt** and all afternoon sessions will **start at 1.00 pm prompt**. Exam access arrangements are in place for identified students, however it is essential that all students check their individual exam timetable to ensure they arrive at the correct exam room.

The first exam, of the summer examination series, will start on Monday 14 May 2018, and the last exam will be on Tuesday 26 June 2018. The final date of exams will not involve all students and it is important to check the school website for further details. **Students must arrive to school at least 30-minutes before an exam** to give them plenty of time to prepare before the exam starts. A free breakfast will be available from 8.00 am for all Year 11 students during the summer exam series (from Monday 14 May 2018), which will include a hot and cold breakfast as well as fruit and water. Bespoke revision sessions will also continue in the lead up to exams. **All students must wear full school uniform for all public examinations and revision sessions.**

We will continue to encourage students to attend all revision sessions and we expect all students to have their revision plans well underway by this stage in the year. All students have been provided with a revision timetable and continue to receive support on a daily basis within lessons, and during lunch-time and after-school sessions. Revision materials (including a USB pen with past papers and mark schemes) were given to all students before Christmas. Additional revision resources will be provided in the lead up to public examinations. We encourage students to study for a **minimum of three hours each evening** in order to achieve the very best outcomes in their GCSE exams.

**Study leave will not be permitted for any student during the examination season. Previous years have demonstrated that students achieve higher grades by being present in school and attending all lessons and additional revision sessions. Masterclasses will be built into the school timetable in the lead up to examinations. Year 11 students will have exclusive access to B001, which has a full suite of computers and will be available throughout the day. Normal attendance procedures will continue throughout the exam season.**

**In preparation for the Summer Exam Series 2018, please find outlined below the responsibilities of ALL students:**

- All Year 11 report to the dining room from 8.00 am each morning, starting from Monday 14 May. Students must report to this area **no later than 8.30am** each morning. A free breakfast will be available each morning for all Year 11 students throughout the exam season.
- Students use the sign in sheets on arrival at the dining room.
- Students must check and double check their seat number (displayed in the dining room or on their individual exam timetable). Once Year 11 Form Tutors arrive to register students there must be silence.
- Each exam venue and seat row will be called out. Students entitled to exam access arrangements will be called first (8.40 am) and directed to the correct exam room.
- Students must listen carefully to instructions and then line up in the dining room (8.45am), where the Progress Leader and Assistant Progress Leader will be present to check attendance, tick present on the seating plan list and line students up in the correct seating order. Students will then be escorted by a member of staff to the relevant exam venue from this point.
- All students must hand in their mobile phones to the Progress Leader, member of staff from the Exams team or lock safely in their lockers before 8.30am. Each student will receive a corresponding raffle ticket and phones collected from the dining room area at the end of each examination, with a valid corresponding raffle ticket.
- All students must remain on site and attend lessons or revision as normal until 3.15pm each day.
- For PM examinations Year 11, students must report to the dining room no later than 12.30 pm. Students use the signing-in sheets on arrival at the dining room.
- All students must adhere to the JCQ guidelines which relate to conduct during examinations.
- Any bags or personal belongings must be kept to a minimum and must be left outside the exam room venue. School will take no responsibility for the loss of valuable items. All valuable items must be handed in prior to the start of the exam, this does not include electronic devices or mobile phones which must be handed to a member of staff prior to entering the exam room.

If you have any further questions regarding the content of this letter, please do not hesitate to contact school. Thank you for your continued support of your daughter's education and we wish her the very best of luck in her forthcoming examinations.

Yours faithfully

Awarding bodies will undertake the following administrative activities in relation to the processing and exchange of candidates' personal data:

1. Personal data relating to the name(s), date of birth, gender, Unique Candidate Identifier (UCI) or Unique Learner Number (ULN) of an individual candidate will always be collected by an awarding body for the purposes of examining and awarding qualifications. In some cases additional information, which may include sensitive personal data relating to health, will also be collected to support requests for access arrangements and reasonable adjustments and/or special consideration. 4. Personal data within candidates' work will be collected and processed by an awarding body for the purposes of marking, issuing of examination results and providing candidates with access to post-results services. Examination results will be retained for a minimum of forty years.

In order for an awarding body to achieve this, some personal information may be transferred to third parties such as examiners, who may in some instances, reside outside the European Economic Area.

5. Awarding bodies may be required to provide a candidate's personal data to educational agencies such as DfE, WG, DE, The Skills Funding Agency, regulators, HESA, UCAS, Local Authorities, EFA and Learning Records Service (LRS). Additionally, candidates' personal data may be provided to a central record of qualifications approved by the awarding bodies for statistical and policy development purposes.
6. Some of the information candidates supply will be used by the Skills Funding Agency to fulfil its statutory functions, issue/verify a candidate's Unique Learner Number (ULN) and update/check a candidate's Personal Learning Record.

The Skills Funding Agency may share a candidate's ULN and Personal Learning Record with other education related organisations, such as a careers service, a candidate's school or college, Government Departments and public bodies responsible for education. Further details of how information is processed and shared can be found at:

<http://www.learningrecordsservice.org.uk/>

7. Awarding bodies are obliged to confirm what personal data is held, what it is held for, to whom the data is to/may be disclosed to, and disclose the information that they hold about data subjects, (e.g. the candidates) within 40 days of receiving a formal request for disclosure, subject to the application of any relevant exemptions under the Data Protection Act 1998.

Candidates should make an application to the appropriate awarding body's data protection officer. Awarding bodies may charge a fee for this service.

8. If you have not reached the age of 16, you may first wish to discuss this Privacy Notice with your parent or carer.

They will determine the purpose(s) for which 'personal data' (information about living individuals from which they can be identified) is processed and the way in which that processing is undertaken.

It is a requirement for data controllers to provide data subjects (individuals who are the subject of personal data) with details of who they are, the purposes for which they process the personal data, and any other information that is necessary to make the processing of the personal data secure and accurate, including any third parties to whom it may be passed to.

## Information for candidates Using social media and examinations/assessments

Image by Patrice Jones

**This document has been written to help you stay within examination regulations.**

**Please read it carefully.**

We all like to share our experiences when taking examinations. However, it is important to consider what you say and to think about what information is being shared.

Sharing ideas with others online could be helpful when you're studying or revising.

However, there are limits to the amount of information you can share and you need to be careful not to break the rules. We'd like to ask you to act responsibly when discussing online. If you're in doubt about what you can and can't discuss online regarding your exams, it's always best to check with your teacher.

If you receive what is or what looks to be assessment related information through social media, or any other means, you must tell your teacher or another member of staff. You must show them what you have received. They will then report the matter to the awarding body and it will be investigated.

Where candidates breach the rules for examinations, controlled assessments, coursework or non-examination assessments, awarding bodies have an obligation to investigate and may apply penalties.

**You should be aware that the following might constitute malpractice:**

- copying or allowing work to be copied – i.e. posting written work on social networking sites prior to an examination/assessment;
- collusion: working collaboratively with other candidates beyond what is permitted;
- allowing others to help produce your work or helping others with theirs;
- being in possession of confidential assessment related information in advance of the examination;
- exchanging, obtaining, receiving or passing on assessment related information by any means of communication (even if just attempting to);
- failing to report to your centre assessment related information being shared online; or
- passing on rumours of exam content.

**Penalties that awarding bodies apply include:**

- a written warning;
- the loss of marks for a section, component or unit;
- disqualification from a unit, all units or qualifications; or
- a ban from taking assessments or exams for a set period of time.
