

# Options 2019: Expression of Interest

Name:

Form:

This form asks you to indicate your five favourite subjects that you may be considering for your option choices for Key Stage 4. This snapshot is to help us to plan for the choices that we can offer you in a few weeks time.

It's important that you understand that the choices that you indicate are **not your final choices**. You will have the opportunity to carefully consider your options and discuss them with your parents and teachers before submitting your final choices.

Looking at the list on the right, please write a '1' next to your first preference, a '2' next to your second preference, and so on until you have chosen five subjects. If you make a mistake then cross it out and write a number elsewhere. Your form doesn't have to be beautifully neat as long as your choices are clear.
