

24 April 2013

Dear Parents/Carers

I write to you at this time to inform you of the school's decision to support families by reviewing many of the Breakfast and Lunchtime food and drink prices. We are acutely aware of the impact of this prolonged recession and time of austerity in government funding from our own experiences of funding cuts to the school and reduced investment generally.

To support parents and families at this time we have looked to implement a range of price cuts that would allow students to purchase both breakfast and lunchtime snacks and meals at very reasonable and competitive prices. We are committed to ensuring the health and wellbeing of all our students by enabling them to choose meals and drinks which are nutritious, filling and healthy, sustaining the students for the various activities of the day and enabling them to maintain concentration in lessons. It is important that students also remain hydrated throughout the day and so we have reduced the price of many of our water-based drinks also.

I am sure that you will see that the students can benefit from a wide choice of options from the reduced prices. However, we will continue to offer a further variety of food and drinks at normal cost prices to ensure the students have a good choice and variety of options throughout the week.

Can I also advise that we have sought competitive reductions from our suppliers of PE kit to ensure that we can also pass on savings to you for these essential items.

Please see overleaf for details of the current prices for the reduced Breakfast/Lunch/Drink items and also the savings on PE kit.

If you have any further suggestions on how you feel we can support you in ensuring that we provide the best possible provision for your daughter/son, please do not hesitate to contact the school.

If you have any feedback on these current proposals please let us have your comments via the school's website on-line feedback form using the following link: <http://www.stjulies.org.uk>, and type in 'feedback form' in the 'search' section at the top right hand of the home page.

With kindest regards.

Yours faithfully

Tim Alderman
Headteacher
