Dear Parent/Carer

RE: Year 10 GCSE Mock Examinations 2025

Year 10 Mock examinations will commence from Monday 16th June 2025. This will ensure your daughter experiences formal mocks in the lead up to her public examinations next year and will support her in the rigour and formalities of the process. Mock exams will also provide an accurate assessment method to monitor and track her progress throughout the year and to provide her with bespoke feedback to help prepare for Year 11. Staff will standardise the assessments across each qualification.

Study leave will not be permitted for any student during this time.

Your daughter must read the documents JCQ documents linked below (all also in QR code):

<https://www.jcq.org.uk/exams-office/information-for-candidates-documents/>

- Coursework assessments
- Non-examination assessments
- Privacy notice
- Information for candidates – written examinations
- Onscreen examinations
- JCQ preparing to sit your examinations
- Social media

Information for Candidates

Please continue to support your daughter at home with her revision materials and encourage 100% attendance to school. All pupils have been handed a revision booklet and digital copies have been shared with all parents/carers (QR code and link below). This booklet is designed to guide revision across all subject areas and contains multiple resources, most importantly it details every topic/module that has been studied, the dates they were taught, for each subject, and contains direct links and QR codes to online resources to revise these topics/modules. Alongside this, students have access to Educake, MathsWatch and GCSEPod, which includes short videos for all qualifications and step-by-step guides for understanding difficult concepts, topics and theories.

https://www.stjulies.org.uk/uploads/File/2024/ks4_curriculum_revision.pdf

Prior to each mock examination, all students will be requested to line up in silence and know their seat numbers (published in the dining room). Exam access arrangements will apply to all mock and external examinations. When pupils have additional time there may be instances in which the exams run past 3:15pm, this will also be the case in the external GCSE exams in the summer and in either case will be communicated clearly to those involved.

Your daughter will receive an individualised exam timetable with seat numbers prior to the start of mock examinations but please see below for the Mock Examination Schedule. In addition to paper copies, these timetables will be available through the Bromcom student/parent apps, this has proven very useful in previous years.

GCSE Mock examination results will be incorporated into pupils final End of Year Written Reports. To support GCSE exam preparations, teachers can go through the mock exams in class and provide question level analysis prior to the grades being shared. If you have any further questions, please do not hesitate to contact school. May I take this opportunity to thank you for your continued support of your daughter's education.

Yours faithfully,

Mrs K. McCourt

Head Teacher

&

Dr O. McGinn

Deputy Head Teacher
