

Tuesday 4th November 2025

Dear Parent/Carers,

Why choose St. Julie's Catholic Sixth Form?

We are delighted to invite applications to St. Julie's Catholic Sixth Form, a dynamic and high-achieving environment where exceptional young women flourish academically, socially and spiritually.

Academic Excellence

St. Julie's Sixth Form is proud to be the highest performing non-selective school in Liverpool for progression to high-quality universities, employment and training (DfE performance tables, 2025). In 2025, we saw a 52% increase in recruitment to Sixth Form, reflecting our growing reputation for excellence.

Our students consistently achieve results above national averages, with many subjects performing significantly above national. We offer a broad and challenging curriculum, delivered by expert teachers with a sharp focus on knowledge application and academic rigour.

We are especially proud of the significant number of students progressing to Russell Group universities, including Oxford and Cambridge.

Leadership and Enrichment

We believe in developing confident, compassionate leaders. Sixth Form students benefit from:

- Leadership opportunities across school life.
- Weekly Christian Action volunteering.
- Access to the Future Leaders Programme, building career-ready skills and community impact.

A Purpose-Built Sixth Form Environment

Our Sixth Form facilities are designed to support focused study and collaboration. Student voice is an essential part of school life. As part of the design process, we worked with Year 11 and Sixth Form students to design a bespoke area suitable for young people making the steppingstone to adulthood.

This includes:

- Collegiate spaces, study pods and silent study rooms.
- Rechargeable laptops and conference rooms for lectures.
- A welcoming bistro area with kitchen, fridge, coffee and vending machines.

Support for University and Beyond

We offer access to nationally recognised programmes that support students in their journey to higher education:

- Liverpool Aspire – Oxbridge preparation including seminars, tutorials, mentoring and university visits.
- HE+ (Cambridge University) – Academic support and a funded visit to Cambridge for Year 12 students.
- Newcastle Partners Programme – Contextual offers and summer school support.
- Liverpool Scholars Programme – Masterclasses and reduced grade offers.
- Access to Leeds – Contextual admissions and scholarship support.
- Social Mobility Foundation – Mentoring, careers workshops and work experience.
- Future Leaders Programme – Leadership development through online and in-person activities.

Join Us

We warmly invite you to attend our Sixth Form Open Evening on **Thursday 4th December, 4–6pm**. Meet our staff, explore our facilities, and hear directly from students about life at St. Julie's Catholic Sixth Form. Representatives from local universities will also be present to answer questions about courses and application processes.

We look forward to welcoming you into a community where academic ambition, personal growth, and faith come together to shape the leaders of tomorrow.

Yours sincerely,

Kate McCourt

Headteacher
